RETREAT & EXPO

AMIAS 2024 is the flagship event of the International Agribusiness Council (IAC) and was founded to promote the Agriculture, Animal Resources, Fisheries and Forestry sectors of the United States of America and contribute to defining the standard of excellence in these areas, and to share knowledge and passion.

The America International Agriculture Show (AMIAS 2024) is in fact a platform of direct investment opportunities in the agricultural, animal resources, fisheries, and forestry sectors.

The 2024 edition of AMIAS will concretize projects through B-To-B meetings, Business meetings and informal discussions with Businessmen, Financial Institutions, SMEs, NGOs...

In total there will be more than:

- 150 B-to-B meetings
- 250 business meetings,
- 22 panels and workshops
- 35 exchange meetings
- 8 conferences
- 5 focus days
- 9 specialized meetings
- 1 enriching afterwork evening

A place of life and education through discoveries and evening entertainment

A forum for sharing skills and know-how in agriculture, livestock and fishing

The AMIAS is 10 poles that allow you to discover the specificities and the agricultural, animal, fishery, and forest wealth of the United States of America.

Thanks to conferences, training and information workshops, exhibitors and visitors will be able to benefit from national and international success stories

This annual conference – cum – expo event will bring together Representatives of farmers, Managers of Co-operatives, Exporters, Traders, Processors and Manufacturers, Government Officials, Non-Governmental Organizations, Agri Engineering Units, Agri Universities & Research Institutions, Agriculture Departments or Ministries, Commerce Departments or Ministries, Farmers, Agro Industry Corporations, Center & State Government Agencies and Departments, CEOs & Senior Managers of American Companies / MNCs, Commercial & Registered Breeders, Dairy Owners & Producers Worldwide and other private Organizations active in the Agricultural, Animal Resources, Fisheries and Forestry supply chains.

The key verticals of this week would be Agriculture, Food Processing, Horticulture, Dairy, Fisheries, Poultry, Sericulture, Floriculture, Agri Finance, Farm Machinery, Implements, Water, Sugar, New Technologies and Start-ups, State & International Pavilion.

AMIAS 2024 will provide tremendous opportunities to strengthen Agri trade relationship and help drive new engagements in this important sector of the economy.

This event is strategically structured to provide its participants a new and enhanced business opportunity by way of interacting not only with the International, Domestic participants and buyers but also with senior government officials and would provide:

A. Showcasing Platform

Physical display on the new tools, technology, processes, research in the field of Agriculture & Food sector

B. Interacting Platform (organization of interaction sessions with members of the US Government)

To engage with the American Federal & state policy makers

C. Partnership Platform

With American Government and private sector firms

D. Knowledge Dissemination Platform (organization of thematic workshops and conferences)

To share best practice

E. Awarding the VIP Guests (gifts or souvenirs of American culture to VIPs)

F. Diploma of participation to Participants and Exhibitors

AMIAS 2023 will have Country Week, Roundtable of International Agri Ministers, concurrent exhibition shows, B2B & B2C meetings, Thematic International Conferences, Hackathon and Training Sessions and Gala – Dinner.

Nearly 20,000 visitors, including children, will take pleasure in going to AMIAS to live unique and unforgettable experiences through visits to the exhibition stands, the AMIAS Parc, the gastronomic area, the animal park, the AMIAS Market, and every evening the “AMIAS By Night” at the AMIAS village, with entertainment and concerts. So many activities that aroused the enthusiasm of exhibitors and the entire population.

A balanced agenda of learning and leisure in a deluxe setting will make truly memorable. High standard guaranteed.
